A MESSAGE FROM EXALTED RULER JEFF MCHARGUE

Well, we have officially made it to the holiday season. This is a busy part of the year for everyone including our Lodge. We have a lot of fun events planned and they all require some volunteers. If you remember back to your orientation night, I spoke about how the lodge isn't like a country club, it runs strictly on volunteers.

We have so many events to volunteer for like the Health Fair at Lake Highlands High school on Nov. 12th or the veterans program on Nov. 13th starting at 2pm. This event is a very special one to us. After the program we will be serving a full Thanksgiving dinner for our guest and families and anyone else who pulls up a chair. We need our members to 1. Attend and volunteer, and 2. To bring a dessert item with you. The Lodge will provide everything else that day. Let's get everyone involved in making our Lodge the best it can be. Remember Elks can, 71 does. See you around the Lodge if you see me stop and say hello and volunteer it's a job you will love.

ESTEEMED LEADING KNIGHT - JULIE NORTH

The turn out for the "Biscuits for a Cause" was great!! Volunteers helped make this event run exceptionally smooth. And the support in attendance was great. Thank you all. The next Veterans event mandated by Grand Lodge is November 13. Will be serving Thanksgiving dinner with all the works served after the Veterans Program. Suicide Awareness among the Veterans is a profoundly genuine issue and we as a society need to get a better grasp on mental issues and get them the help they need. More than 20 Veterans take their own lives on a daily basis. The "Hash Slingers" (for those who are new members this is the volunteer group for the Wednesday night dinners, and we welcome any member to volunteer and become a Hash Slinger.) For right now we will be taking a hiatus on Wednesday dinners. Our team Cathy and Robert Somers, Chuck and Bobbie Fenoglio, Michelle LaBrie, Bob and Julie North and all the other volunteers who took the time to come help in the kitchen for the dinners.

ESTEEMED LOYAL KNIGHT - STEVE KENNEDY

Even though we're already a month into Fall, it is finally starting to feel like it. October has been lots of fun. I feel energized by the cooler weather. November is here and it's time to talk turkey. We need volunteers to help with the lodge and lodge events. More importantly it provides and promotes opportunities to help our community. Let's all be mindful of the less fortunate, they need us. I'm in charge of accident prevention at the lodge so please never hesitate to contact me if you see something that needs attention.

ESTEEMED LECTURING KNIGHT - TRACY SETTMI

Well, looks like cooler temperatures are finally upon us. I think we are all a little excited about the respite. With the cooler temperatures comes exciting events. Halloween, Thanksgiving and right around the corner, Christmas. I love this time of year and look forward to all the gatherings that will be happening. It is a good reminder that family and friends should be first in our hearts and minds. I am thankful to God for not only my biological family but also, my ELK family. As we move forward with the holidays, I ask that you try to give where you can, smile more often and LOVE all with whom you encounter with an open and full heart! This is Brotherly Love!

OFFICER OF THE MONTH: TREASURER, DICK REED

My officer of the month for November is Treasurer Dick Reed. Dick is a Past Exalted Ruler who has helped me in so many ways that I can't write them all down they would be too long for the Elks Press. Dick has done a tremendous job this year with the huge numbers we have been running through his office this year. For everything Dick has done, everything he does, and everything he will continue to do in the future, thank you Dick for all you do to make Dallas 71 the best it can be. Elks can, 71 does!

ELK OF THE MONTH

MINDY ROWLAND-HESS

My Elk of the month for November is Mindy Rowland-Hess. Mindy has really jumped at the opportunity to volunteer around the lodge and had excelled at all of the jobs she has undertaken. She has put her touch on numerous things whether it's Bingo, the market place event, or any one of the numerous tasks she does. Thank you Mindy for making our lodge the best it can be.

A fundamental funding source of "Promoting Elkdom with Enthusiasm" is the Elks National Foundation (ENF). Last year, the ENF budget totaled over \$39.8 million. Think of the impact that the \$39.8 million has had on your State Association and Local Lodges in funding the various Elks programs that stress healthy and active lifestyles for our youth, fulfilling the Elks' pledge to always remember our veterans (past and present) who defended our freedoms that we enjoy, and providing millions of dollars in grants in the communities where we live and work.

SERVING OUR COMMUNITY

We have a busy November coming up! On Saturday, November 12th, we are teaming up with the Dallas Police Department to help out with the Kids Health and Safety Fair at Lake Highlands High School. Let's show everyone how us Elks roll out for our community! **I'll need at least 40 volunteers to help throughout the day.** I've set up a sign-up genius that is featured at the top of our Facebook page. We are also having a KIDS coat drive (no hoodies please!) that we will hand out at the event. We will collect new kids coats up until November 11th. You can drop them off at the lodge (box near the ATM machine) or you can call me and I'll come by and pick them up from you!

Thank you to everyone who continues to donate for Feed Lake Highlands! Feed Lake Highlands is a food bank that serves our community. We provide food and volunteers to help hand out food in a grocery store setting. Currently they are needing nonperishable items such as cereal, canned chicken or tuna, canned soup, peanut butter, canned fruit, and mac n' cheese. They are always looking for personal hygiene (shampoo, soap, razors, toothbrushes, etc) and cleaning supplies, as well as paper goods (toilet paper, paper towels, tissue paper). The Amazon wish list has definitely made the donations increase! Look for my weekly posts for the link to the wish list, where all of the items will be sent to my house. You can drop everything off whenever you are at the lodge in the box near the ATM machine and I will deliver everything to Feed Lake Highlands. Feed Lake Highlands also needs volunteers every Tuesday from 10AM to 2PM and Wednesday from 9AM to 6PM to help set up their food pantry, and hand out food. If you can spare 2-3 hours, please look for my posts for the sign-up genius.

If you have a question, want to volunteer, or have an idea for a community event that Elks 71 should be a part of, feel free to reach out to me at 972-322-3363 or amystpeter@yahoo.com. Thank you! Amy St. Peter, Community Activities Chair

Join the Membership Committee!!

Membership is continuing to grow. I ask that you find a new Member and make them feel welcome! Some new Members may be too shy to ask to sit with you or may not know who to ask. So, ask someone to sit with you. Ask someone to sing with you at Karaoke or ask someone to be on your team at Trivia. There are a LOT of new Members! Let's make them at HOME at 71. Again, if anyone is willing to help be on my committee, I am here for YOU! Thank you for all you do and as always, keep up the good work!

We recently held our annual Golf Tournament; it was well received. I encourage anyone who wants to play to sign up next year, all skills levels were present. Please spread the word and come by the Marketplace at the Lodge on November 5th. We have some more events in the works, a spaghetti dinner, a drop and go kids ornament workshop and a couple more fun thoughts. Please check out FB and our website for the latest. You may have noticed the Golden T Golf game by the pool table. Shane has set up some fun tournaments, check out Facebook or just play for kicks. Please have a great time with it, as all proceeds go to the camp. A massive thanks to all who have donated, helped, and/or dropped something into a Red Pig. We appreciate it so very much. We could use some help on events, and are open to ideas when given enough time to implement them. Finally, a special thanks to my bride, Marcia Marcia Marcia, a perfect partner in so many ways!

GOOD OF THE ORDER

Greetings my Brothers and Sisters, I welcome you tonight to this 4911 meeting of the Dallas Lodge #71 of the Benevolent Protective Order of Elks. Prosper us in this labor of love. Whether this is your first, tenth, hundredth or in the case of some of our older members 5000th meeting, thank you for coming tonight and I charge you to make it a habit and to remind others to come as well.

The business of the lodge is conducted here in this hall at these meetings. Before the internet, emails, texts or even phones this was the place to learn our goals, successes, share our joys and sometimes of our sadness. Morning and noon may pass but we as a lodge are linked to each and every other lodge bound by the same exact rituals and goals. Thousands of lodges have been created and hundreds have passed away, but here we stand tonight, a beacon to our community, our state and our country. The Order of Elks is distinctively American. Linking the destiny of our Order with the destiny of our country we have made its Flag the symbol of the crowning virtue. We created Flag Day, and the first time our ritual was performed was right here in Dallas, at the Grand Lodge Reunion in 1908, and later recognized by Woodrow Wilson and finally Harry Truman. We created the first veteran's hospital and service in 1917 and passed those resources along to the government.

But what are Elks? As we just so recently heard we are American citizens who guide our course in life by the cardinal principles of our Order: Charity, Justice, Brotherly Love and Fidelity. These principles as well as the charges in our obligation must be nurtured not only in this room, but throughout the course of our daily lives as a constant guide and faithful monitor.

I spoke with a long time Elk at an event about always being here and seeing the same people. They said that they tended to hang out with the same people outside of the walls as well as inside, so it wasn't a chore. A new grandchild has cut back on that time, but they are still here often and always with a smile and an open heart.

We host a myriad of charitable events, most of which are also incredibly social. I ask that each of you try and make time as you are able: to assist, attend and support. Do you have to "live here", certainly not. However, I strongly encourage you to make time to get to know your fellow Elks, find common interests inside and outside the lodge. The most powerful bonds are formed through familiarity and teamwork. Sometimes the food isn't five stars, (but it's usually good) and the weather outside not pool worthy, but I guarantee the fellowship inside can be!

There are numerous committees conducting the activities of the lodge, find one or two that align with your passions and become involved. Fill a red pig, work a night of bingo once a month, come to a dinner and support one of our programs, cook in the kitchen, or any number of other opportunities. Sweethearts, ENF, Veterans, Feed Lake Highlands, Bingo, Bridge, Karaoke, Dancing and even having a dip in the pool with a refreshing beverage but strive to become involved with your lodge. Attend meetings, learn about what we do, who we do it with, and why. Ask questions, make suggestions, vote vote vote. Exercise your right of franchise. Encourage others to do so, expand our principles outside of these walls.

We are Elks, let the people hear the pounding of our hooves each and every day.

Words from Chris Bradley, Dallas 71 Lodge Chaplain & Sweetheart

Notes from the Chaplain **Chris Bradley**

Fall is here, but summer's heat still lingers. These past six months have flown by. We are a Lodge of brothers and sisters, please remember to be kind to your fellow members and ever practice brotherly love. We have several members in recovery and several recent losses. Please remember not all injuries can be seen from the outside. Kindness is free to give but of immense value to those who receive it. Our yearly Elk Memorial is coming up, please try and attend to remember our Absent Members. As always, my door is open. Grab me if you see me around the lodge
