A MESSAGE FROM EXALTED RULER JEFF MCHARGUE

As we enter into the final month of our fiscal year, we can look back on the past 12 months and look forward to the next 12 months at the same time. This past year we experienced numerous highs, with our new pool, our gain in new members, all of the events we hosted, that were all a huge success thanks to everyone who planned them, volunteered for them, and attended them. The House Committee and Sweetheart committee and Pool Committee all did an outstanding job, thank you to everyone involved.

We experienced some growing pains by growing to fast and we learned valuable lessons while doing so. We expect the next year to be even better. This year we set record after record on almost every data point we look at to measure our success. We will finish the year with a plus on our budget, we made money. We will finish with a plus in membership, we're one of the fastest growing lodges in the country.

We also lost some very good people this year, we lost Marion McDaniel, George Santa Cruz and Anna Railey, just to name a few of the great Elks we lost. They all will forever be remembered at 11pm each night.

Overall 2022-2023 year was a big success thanks to each of you. The state of our Lodge couldn't be better and we are strong and determined to succeed in the year 2023-2024.

The leadership for next year has been determined and each of them have my utmost support and encouragement that we will succeed without fail. I look forward to leading us into the coming year once again. I cannot wait to see what the improvements we've made to the pool bar and the lessons we learned this year bear the fruits of our labors and make 2023-2024 as successful as 2022- 2023 has been.

Thank you each and everyone of you. Always remember our motto

Elks Can, 71 Does.

ESTEEMED LEADING KNIGHT - JULIE NORTH

I love Leading Knight position and the story behind the chair. Charity is the virtue of Elkdom. We have many opportunities to volunteer, We have a Veterans committee, Feed Lake Highlands, Sweetheart, Elks National Foundation (ENF), this is where our grants and scholarships come from, Hoop Shoot, and Children's activities. Spring and Summer are coming up fast. Don't forget the kids cooking class March 18, sign up early and get your space for the kiddo's. Pool season is nearing as well, we want everyone to be safe and follow the rules in place. Remember no alcohol is to be brought in the pool area or anywhere in the lodge.

ESTEEMED LECTURING KNIGHT - TRACY SETTIMI

I can't believe this is my last article as Lecturing Knight. Although I am happy to be moving up in the chairs, I will miss this role. I feel it is really one of the most important at the lodge. Brotherly Love is such a beautiful part of our commitment to Elkdom. Helping others, showing grace and loving large are just a few of the qualities and characteristics I have witnessed over the past year. Thank you for making my job easy. Are we perfect? NO! Did we make mistakes? Yes! Can we continue to grow and change? ABSOLUTELY!! I can tell you this: I am super proud of our Lodge and our love for our members and others. I ask that you keep up the good work. Chris will continue the good work and we all need YOU to make a difference. THANK YOU from the bottom of my HEART!! Signing out as Lecturing Knight but definitely NOT signing OFF!

Elk of the Month

TAMMY MCHARGUE

My Elk of the month for March is Tammy McHargue. Tammy has been involved with almost every committee and event we have hosted since the day she walked through the doors as a member. She is a 2 time Sweetheart, she has helped plan and execute some of the biggest events we have hosted at our lodge over the last 8 years. This year she tackled the role of House Committee chair and as usual she handled all of the issues with a smile and a determination to work hard to make our lodge the best it can be.

Tammy will be stepping back into the shadows this next year and it will be a well earned respite from the stress of everything, enjoy your time off Tammy, thank you for everything you do to make Dallas 71 the premier lodge in Texas.

I LOVE MY LODGE!

JUDY STUMP PER

IT HAS BEEN A JOY AND A PRIVILEGE TO DESIGN THE DALLAS 71 ELKS PRESS THIS YEAR AND I LOOK FORWARD TO SEEING WHAT'S TO COME.

To my fellow Elks,

This is my last issue as Editor of the Dallas Elks Press. I have served as the Dallas 71 Public Relations Coordinator, Webmaster, Facebook administrator photographer and graphic artist since 2016 and it has truly been a labor of love.

Stepping out of this role is not easy but, the free time to catch up on my own projects, spend more time with my Mom, my husband Kent and our fur babies will be great.

Our Lodge has many talented and creative Members. I send good wishes to the Elk(s) that will serve in these roles in the coming year.

I will continue to volunteer at the Lodge in other ways and hope to see you there. 2023-2024 is going be another great year for Dallas 71. See you at the Lodge!

THANK YOU FOR TRUSTING ME WITH THIS JOB I WILL REALLY MISS IT.

HOUSE COMMITTEE - CHAIRPERSON TAMMY MCHARGUE

Well, a year went by pretty fast now that it's all done. I would like to thank my House Committee for all the long meetings to make certain our Lodge was in compliance with Grand Lodge. Also,I thank them all for helping to keep the calendar full to raise money for our programs. So, it's time I hang up my hat as your House Committee chairperson. Thank you to everyone who came out in support of our programs. Thank you, Judy Stump, Ann Tate, Robin Weise, Steve Conway, Robert Somers, Kim McDermott, Larra Keel, Amy St. Peter, Tracy Settimi and Marcia Bradley. You all have been a great team. Thank you. We will have one final meeting this month to turn over the reigns to the new House Committee chairperson and their committee. Be sure you show the same support or more. See you around the lodge.

Next House Committee Meeting: Tuesday ,Mar 21

MEMBERSHIP - CHAIRPERSON TRACY SETTIMI

Well gang, it's the time of year when we really want to get these delinquents paid up. Honestly, this is the most I have had at this point in the year in the last four years of my being Membership Chair. Unfortunately, we are having to make some tough calls and ask people to not come to events or the bar if you are not current with your dues. Please understand this is nothing personal. These are Statutes that we are following. If you are having a financial hardship, please reach out. We are very willing to work with you. We want ALL of our family here with us. The good news is that we are still rocking it in the membership department. With Spring and Summer on its way, you are sure to see some new faces. Please make them feel welcome and help them get involved. As always, I appreciate you and all you do to make this lodge the amazing place it is.

SWEETHEART PROGRAM

The 1888 western dance was a blast, and we received a lot of feedback. Most people had a great time, and we will work on the few rough patches we had. There are a couple of people who need to pay for and pick up their winning bids. The following day a card tournament was held, and a healthy donation was received, thanks ya'll.
We have been contacted by a sister lodge and will be releasing something soon. We also will be having a bird house clinic. Please check out FB and our website for the latest information.

I have Truck raffle tickets as well, 10 dollars each or three for 20 gets you a shot at a new 2023 Dodge Ram Lone Star edition or the 20k cash option.

A massive thanks to all who have donated, helped, and/or dropped something into a pig. We appreciate it so very much. We could use some help on events and are open to ideas when given enough time to implement them.

Sweethearts from around the state will be going to camp this weekend, between press time and release. We look forward to coming back with new ideas.

Notes from the Chaplain

Chris Bradley

Amazing how fast a year goes by! It has been quite a year of challenges and triumphs. As I reflect on how much we have grown, and the amazing opportunities that lay before us as a lodge, I am left in awe how we can move mountains when we push together.

I would like to leave my time as Chaplain with this verse, “Therefore encourage one another and build one another up, just as you are doing.” -1 Thessalonians 5:11

I am looking forward to moving into my upcoming position as your Esteemed Lecturing Knight and thank everyone for their support.
We are a lodge of brothers and sisters, please remember to be kind to your fellow members and ever practice brotherly love. Not all injuries can be seen from the outside. As always, my door is open. Grab me if you see me around the lodge.

SERVING OUR COMMUNITY

So long, farewell, auf wiedersehen, goodbye! My time is up as your Community Activities Chair for 2022-2023 and it's been an honor! But never fear, I won't be too far away as I will continue to be the liaison for Feed Lake Highlands as well as now being on the FLH board. After volunteering there for 4 years, you can probably guess that I am very passionate about the good that FLH does for our community! To sum up the year for Feed Lake Highlands alone, we have logged in 448 volunteer hours, served 3,345 families (11,612 individuals), and oodles and oodles of food and personal hygiene products donated. I want to thank Ashley Miller and Mindy RowlandHess for being part of the FLH volunteer posse with me and representing the Elks 71, Steve Conway for helping with donations and getting us a grant to cover many donations to FLH, Kim McDermott for answering all of my questions and being my voice quite often at the lodge meetings, and to Jeff McHargue for the opportunity and for being a great leader. And thank you to all of the Elks 71 Membership. We could not have this success without you all!

Amy St. Peter

Community Activities Chair

Please continue to donate and volunteer, not just for Feed Lake Highlands or at the blood drives, but in all aspects of the Elks Lodge! Our lodge has grown incredibly over the last year which only means we need more people to help with programs, events, dinners, etc. If you have a question about Feed Lake Highlands or want to volunteer (you can even visit to see what we do!), please reach me at 972-322-3363 or amystpeter@yahoo.com.
