A MESSAGE FROM EXALTED RULER TRACY SETTIMI

Holy Moly!! I am amazed that we are already in October! September flew by with homecoming preparations. We all went down to homecoming and had a blast and raised a LOT of money for children with special needs! Way to go, Dallas Elks . Thank you for your continued support of our children! October has a lot in store with Ladies First Friday Happy Hour, bocce league starting back up, Karaoke, and our Halloween touch with a Trunk or Treat. We are still looking for people to decorate their cars and pass out candy!! It's sure to be a spooktacular time!!! Please let us know if you'd like to volunteer!! As I continue to go to lodges across the North district, I am constantly proud of our lodge! We are doing a bang up job and growing all the while! Thank you for your hard-work, dedication and love to and for our Dallas Elks lodge! I couldn't do it without all of you and it doesn't go unnoticed!! Have a great October!! See you at the lodge!

ESTEEMED LEADING KNIGHT - RUSSELL SCOTT

Over the years, I have seen almost every Lodge in the State of Texas, and I can honestly say we have a “palace”. Your House Committee is working extremely hard to keep it that way with improvements and events, thus keeping it very active. Plus, we are initiating more new Members in the North District than all the other Lodges combined. This allows us to have a large volunteer pool. Just because we have a great House Committee doesn’t mean we don’t need volunteers from time to time. All anyone needs to say is, “what can I do to help?” And let’s not forget our Lodge meetings on the 2nd and 4th Tuesdays of each month. Running an Elks Lodge is like running a business and these meetings are where decisions are made to keep the business going. I would think more of our membership would take more of an interest in those decisions and the inner workings of the Lodge. We didn’t get to where we are by accident. All I’m asking, from our Membership, is to get involved in some way. It will be greatly appreciated.

SEE Y’ALL AROUND THE LODGE!

ESTEEMED LOYAL KNIGHT - MARCIA BRADLEY

Fall Is in the Air!

It is that time of year again! Fall is in the air, and while the pool is still ready, our thoughts turn to football, family, and friends.

As you enjoy the lodge, please remember to be kind to our bartenders and staff and clean up after yourselves. We all share this space, and a little consideration goes a long way.

As a volunteer-driven organization, we need your help! We have many exciting events ahead, including Hoop Shoot, Bowl-a-thon, Fall Conference, Bingo, Trivia, and lodge dinners—all great opportunities to participate, make friends, and support our community.

Our committees and activities are always looking for volunteers. Check the committee chair list in this issue of the Elks Press and find an area that interests you. If you aren't sure where to start, just ask—we'll be happy to help.

We are also welcoming new members each month. When you see a new face, introduce yourself, make them feel welcome, and invite them to get involved.

Let's work together to make our lodge a place where everyone feels welcome and at home!

ESTEEMED LECTURING KNIGHT - STEVE GARNER

As the days grow cooler and the season begins to change, fall gives us a chance to slow down and appreciate the people around us. At Dallas Elks Lodge #71, it is also a reminder of one of the values we share: Brotherly Love.

Brotherly Love lives in the small things we do for one another. It is welcoming someone new, checking in on a fellow member, lending a hand at an event, or making room at the table for a friend. These simple acts make our Lodge feel like home.

This fall, I encourage each of us to find one more way to connect. Attend a Lodge gathering, volunteer when you can, or reach out to someone you haven't seen in a while. Every member has something to offer, and every act of kindness strengthens our Lodge.

I'm grateful to be part of a community that looks out for one another. Let's carry that spirit through the fall season and share it with everyone who walks through our doors

CHAPLAIN - TERRY WADE

This month we need to concentrate on Love. Jesus gave all for love for us. His example is always perfect. Does this mean we have to accept everyones behaviour, no, but it does mean we should love them. We need to treat all with the dignity and respect we want to be treated with. Love can build bridges and change hearts and heal wounds. Be the person who loves bigger and better today.

Dallas 71 Committees

MEMBERSHIP - CHAIRPERSON COURTNEY GONZALES

Fall is finally here, and with the cooler weather, it's a great time to get out and enjoy everything our lodge has to offer! A quick reminder to anyone who has only paid the first half of their dues: **the second half is due now.** Please get them paid as soon as possible so you can remain in good standing and continue to enjoy all the activities, friendships, and benefits Dallas #71 has to offer.

HOUSE - CHAIRPERSON RONNIE SETTIMI

As the weather cools, there are still plenty of reasons to gather at Dallas Elks Lodge #71. The pool will be heated, and football will be on both at the pool and in the lounge every Saturday and Sunday. We can show multiple games, so bring your family and friends for football, food, and fun at the Lodge. Bingo continues every Thursday. Trivia is back on the second and fourth Fridays of October, with a themed trivia night on the fourth Friday. Make an evening of it with Steak Night: a steak, baked potato, and salad for just $22, then stay to test your knowledge. Babysitting is available for trivia at $15 per child with a reservation or $25 per child at the door. On October 25, we'll hold our first annual Trunk or Treat for the kids. We're looking for volunteers to decorate their cars and help hand out candy. The Lodge will provide some candy, so volunteers won't have to supply it all themselves.
I hope to see you and your family at the Lodge this fall!

ENF Fidelity

Have you signed up with the Fidelity Club?

Helps Elks build stronger communities by investing in places where Elks live and work.

Helps youth develop lifelong skills; sends students to college; meets the needs of today's veterans; supports the charitable work of state Elks associations; and funds projects in local Elks communities.

Strives to give back more money to each state than it received from that state in donations.

Weather it is $5 or $10 a month every dollar supports the charitable work of ENF.
