ESTEEMED LEADING KNIGHT - RUSSELL SCOTT

Our Texas Elks State Association has come and gone. I hope you had an opportunity to attend. This is a great place to make new acquaintances and renew old friendships and maybe even learn a little more about Elkdom.

It's always a great time to exchange ideas with other Lodges and attend the training sessions. This is how we grow and get better at what we do and there is something for everyone. Each year, on Friday night at the convention, the Texas Elks State Association awards scholarships to deserving High School Seniors and I had the honor of awarding the scholarship for the State Essay Contest. After hearing these kids' resumes, it's hard to believe they can accomplish so many things in their spare time. Congratulations to our newest members as we appreciate their patience with the storm delay. Remember, your voice can only be heard at one of our Lodge meetings so please make plans to attend. On a separate note, I want to thank Dallas #71 for the opportunity to call Bingo for 12 years as I am stepping down as the regular caller. And a big thanks to all the players and the special relationships that we developed over the years. It is somewhat sad to be stepping down but other duties as an Elk are taking me in other directions. Again, thank you very much.

See y'all around the Lodge!

ESTEEMED LOYAL KNIGHT - MARCIA BRADLEY

Greetings from the State Convention, and thank you to everyone for your support in selecting me as your North District Elk of the Year! This honor is truly a reflection of all that we accomplish together for Elkdom and our district.

It is that time of year again! The pool is ready, the lodge is looking great, and we are beginning the new Elk year with energy and enthusiasm. We have many exciting events on the horizon, creating wonderful opportunities for all of us to participate, grow, build friendships, and make a positive impact in our community.

Our lodge offers a wide variety of committees and activities, and they all have one thing in common—they can always use your help. I encourage you to consider becoming more involved. A convenient list of committee chairs can be found in this and every issue of the Elks Press. If you have questions or need assistance finding the right place to serve, just ask. One of us will be happy to point you in the right direction.

We are starting this year with more than 1,300 members, which means there are plenty of new faces to meet and friendships to build. When you see someone new, take a moment to introduce yourself, welcome them to the lodge, and invite them to get involved. Together, we can continue to make our lodge a place where everyone feels at home.

Here's to a fantastic year ahead!

ESTEEMED LECTURING KNIGHT - STEVE GARNER

As we move into the heart of summer, our Lodge comes alive with families, friends, and fellowship. The pool is open, the laughter of children fills the air, and members gather to enjoy everything that makes Dallas #71 such a special place. It truly is one of the best times of the year to be an Elk.

Before we dive completely into summer fun, I'd like to remind everyone that our Flag Day Ceremony is June 14th at 2 pm.

This important day commemorates the adoption of our nation's flag and serves as a reminder of the freedoms and opportunities we enjoy as Americans. As Elks, patriotism is one of our core values, and Flag Day gives us an opportunity to reflect on the sacrifices made by those who came before us and to honor the symbol that unites us all. With increased activity around the Lodge and pool area, I ask all members and guests to help keep our facilities looking their best.

Please take a moment to clean up after yourselves and your children. A little effort from everyone goes a long way toward maintaining the beautiful environment we all enjoy. I would also like to remind everyone that children under the age of 14 must be supervised by an adult at all times while on Lodge property. This policy helps ensure the safety of our young guests and allows everyone to enjoy their time at the Lodge responsibly. Most importantly, let's remember what it means to be Elks. The principles of Brotherly Love, Relief, and Truth are more than words—they are the foundation of who we are. Be patient with one another. Offer a helping hand when needed. Welcome new members and guests. Treat everyone with kindness and respect. A smile, a kind word, or a simple act of consideration can make a tremendous difference in someone's day.

As we enjoy pool season, summer events, and time with our Lodge family, let's continue to make Dallas #71 a place where members feel welcomed, appreciated, and proud to belong. I look forward to seeing all of you around the Lodge this summer. Have a safe, fun, and memorable season.

CHAPLAIN - TERRY WADE

So many times we struggle with our purpose, maybe we should not dwell on our purpose, Specifically, but remember our identity. Our identity is in God. We were created by God for a purpose, his purpose, not ours. Our purpose should always be to live in him and for him for all our days. If we live in him and for him, everything else will fall in place. It is not always going to be easy, look at the Disciples, their paths were not easy, ours may not be easy, but if we always follow God, we will be doing the right thing and living our purpose.

Dallas 71 Committees

MEMBERSHIP - CHAIRPERSON COURTNEY GONZALES

We have started the summer season strong, and it's exciting to see our delinquent list getting shorter each week. The Membership Committee has worked hard to prepare and distribute membership cards, but we still have a box full waiting to be picked up. This month, we will begin contacting members whose dues remain unpaid. Please remind your friends and family to pay their dues and stop by the lodge to pick up their membership cards. We appreciate everyone's support and look forward to a fantastic summer at the lodge!

HOUSE - CHAIRPERSON RONNIE SETTMI

Summer is officially here, and Dallas Elks Lodge #71 is in full swing!

The pool is open, the days are longer, and our calendar is packed with opportunities to enjoy fellowship, family, and fun throughout the month of June. Whether you're relaxing poolside, attending a Lodge event, volunteering in the community, or simply spending time with fellow members, there is truly something for everyone at Dallas #71.

We're proud to support our members attending and representing Dallas #71 at the Texas Elks State Convention June 4-6.

We kick off the month with exciting events including Bingo every Thursday at 7 PM, Team Trivia on June 13 and June 27, Karaoke Nights on June 6 and June 20, and Ballroom Dancing on June 2, June 16, and June 30. Our dedicated volunteers continue serving the community through Feed Lake Highlands every Wednesday throughout the month. We will also host Adult Swim on June 27 from 7 to 11 PM, with babysitting available for families.

For those looking to stay active, Water Aerobics takes place regularly throughout June, and Bocce Ball continues on Wednesday evenings with Orientation Night scheduled for June 17. Prayer Group meets every Monday evening, and our Book Club gathers on June 15 for another great evening of fellowship and discussion.

June is also a busy month for Lodge business.

We will hold Lodge Meetings on June 9 and June 23, with initiation taking place during the June 23 meeting. The House Committee will meet on June 16, and I encourage any member interested in helping plan activities and improvements around the Lodge to attend and get involved. We also have an important patriotic event as we celebrate Flag Day on June 14 at 2 PM. I encourage all members and families to attend this meaningful ceremony as we honor our nation's flag and the principles of patriotism that are central to the Elks organization.

One of the highlights of the month will be the Chris Bradley Memorial Golf Tournament on June 20. This special event brings members and friends together for a day of fun, fellowship, and remembrance while honoring Chris's legacy. We hope to see a great turnout in support of this annual tradition.

Father's Day falls on June 21, and we invite everyone to enjoy Sunday Brunch throughout the month while spending time with family and friends at the Lodge. Don't forget our popular Steak Night on June 26, which is always a member favorite. Thank you to our volunteers, staff, committees, and members who make every event possible. We look forward to seeing you around the pool, in the ballroom, on the golf course, and throughout the Lodge all summer long.

Have a safe, fun, and memorable June!

Serving our community

Please Continue to donate and volunteer, not just for Feed Lake Highlands or at the blood drives, but in all aspects of the Elks Lodge! Our lodge has grown incredibly over the last year which only means we need more people to help with programs, events, dinners, etc. If you have a question about Feed Lake Highlands or want to volunteer (Come visit and see what we do!)
